WHOMSOEVER IT MAY CONCERN

This is to certify the well-known manufacturer M/s Filtration Engineers India Limited- who have provided Strainers and Filters installed in various Systems installed in B193 Process Platform and has been satisfactorily operating since last two years. The quality of the entire items provided to us was the best. We were very much appreciated with their services provided for the immediate completion of all the Commissioning Support for their systems. They are also expertise in service with high technical representatives.

We heartily wish all the best to Mr. Sunil Aggarwal and his team to reach peak for their SUCCESS.
